

## CONDITIONING BODY SCRUB *Verdure*

Beautifully smooth and radiantly youthful skin never goes out of style. Our award-winning body scrub uses a gentle yet effective combination of multi-grain natural salt, skin-loving oils and sugar with naturally occurring alpha hydroxy acids to draw in moisture, smooth away imperfections and reveal the healthy, youthful skin beneath. Look your best with flawless, glowing skin wherever you go.

*Malée, is Inspired by the rich landscapes, alluring scents and ancient wisdom of Africa, our luxurious fragrance and body care range balances 100% natural active ingredients and scientifically proven formulas to heal, protect and pamper your skin.*

### *The Perfect TOUCH*

Use on damp skin, apply in large circular motions with a light pressure to buff away dead skin cells. Use once a week for the best results. On problem areas such as knees, heels and elbows, use smaller circular motions to increase effectiveness.

*Polish your look with natural African exfoliants*

*Smooth | Invigorate | Nourish*

Delightfully uplifting and refreshing, Verdure takes you on an exhilarating journey through the lush mangroves, earthy forests and dewy wetlands of Africa.

As fresh as dew on a spring leaf, this fragrance will leave you feeling youthful, energetic and confident all day.

Legend has it that in Tanzania, raindrops were believed to be the tears of Udo, goddess of youth and beauty – a sip of which could grant eternal beauty.
