

THE PERFECT FAMILY *gift*

The festive season is drawing nearer, the malls are getting frantic and you haven't even started your Christmas shopping yet! But what to get? Finding the perfect gift for everyone in your family (not to mention your friends) can be stressful and time consuming. Wouldn't it be a Christmas miracle if you could find one gift that would fill everyone with festive cheer?

Inspired by AFRICA.
Grounded in nature,
perfected by SCIENCE

Inspired by the rich landscapes, alluring scents and ancient wisdom of Africa, our luxurious fragrance and body care range balances 100% natural active ingredients and scientifically proven formulas to heal, protect and pamper your skin.

Our fragrances capture the vivid and invigorating scents of Africa, awakening your wanderlust and taking you on a sensory journey across the continent. Designed for women and men alike, our universally appealing products are perfect for anyone who loves to be pampered.

Conscious LUXURY

Our products are as kind to the environment as they are to your skin.

We use only what your skin needs and exclude unnecessary mineral oils, animal-derived ingredients, many known allergens and harmful parabens and silicones. Sustainably sourced, cruelty-free and fully recyclable.

The Perfect GIFT

Our multipurpose Moisturising Oil has got you covered. Made from 100% natural active ingredients, it's gentle enough to use on the whole family, from mom and dad to grandparents and even the little ones. Our intensely moisturising oil boasts a potent blend of super-concentrated natural oils, essential vitamins, fatty acids and skin-tightening peptides renowned for their nourishing, restorative and healing properties. What's more, this 5-in-1 wonder product can be used on hair, nails, skin, hands, and in the bath. Heal stretchmarks, add a healthy gloss to hair and beards, rehydrate tired hands, and add a few drops to baby's bathwater to protect delicate skin from the drying effects of cold winter weather. Forget socks and chocolates, give the gift of soft, healthy skin this festive season.

The Perfect TOUCH

Add a few nourishing drops to bath water. Apply liberally onto skin, hands and nails whenever you need an intense moisture boost. Or use it as a pre-shampoo to replenish dry and damaged hair.
