

The festive season is here and picking the right gift can sometimes be daunting for most. In search of something new, unique and different? Share a piece of Africa with a loved one with our award winning fresh forest green scent, Verdure. Inspired by Africa's wetlands on a dewy morning when moisture is abounding. A sensory delight with uplifting, revitalising and earthy warm notes of Citrus, Mint and Patchouli. Made with 100% natural active ingredients. Our products are paraben, silicone, mineral oil and animal originated ingredient free. It is suitable for him, for her and even tiny tots.

Create a unique gift by selecting from our award winning scents and skin loving products. For her, him and tiny tots. Malée's indulgent range of unisex fragrance and body care products make for the perfect gift this Christmas. Beautifully packaged in our chic Malée grey box, wrapped in a delicate tissue, tied in Malée woven ribbon and finished with a gorgeous bow.
