

## ROOM MIST *Verdure*

Delightfully uplifting and refreshing, Verdure invites you on an exhilarating journey through the lush mangroves, earthy forests and dewy wetlands of Africa.

*Malée, is Inspired by the rich landscapes, alluring scents and ancient wisdom of Africa, our luxurious fragrance and body care range balances 100% natural active ingredients and scientifically proven formulas to heal, protect and pamper your skin.*

### *The Perfect* MIST

Spray into the air for an instant burst of fragrance or lightly spritz onto linen, upholstery and clothing for long-lasting freshness.

*Bring home the inspiring scents of Africa*

*Fresh | Vivid | Uplifting*

As fresh as dew on a spring leaf, this fragrance will leave you feeling youthful, energetic and confident all day.

Legend has it that in Tanzania, raindrops were believed to be the tears of Udo, goddess of youth and beauty – a sip of which could grant eternal beauty.

## *Unique* SCENT EXPERIENCE

This invigorating scent opens with a bright, energising burst of citrus, followed by refreshing mint grounded in warm, earthy patchouli.

*“I absolutely love the story of Malée and the warm, fresh scent they evoke in Verdure is the perfect interpretation of their South African roots”*

Lorna McKay  
The Perfume Society
