

LEAVING ON A JET PLANE, WHY NOT FLY WITH *us!*

*Malée's Verdure Moisturising oil - Beauty Shortlist,
Mama and Baby Editors Choice Award winner
(100ml)*

For our wanderlust brand, taking to the skies with no borders and sharing the goodness of our products is something that we are beyond chuffed about. The end of 2017 saw one of our hero award winning products join the crew and take to the international skies with South African Airways. A certified endorsement for this travel friendly moisture all rounder.

Our award winning travel friendly Verdure Moisturising oil is now available on all international South African Airways flights.

The complete beauty solution to all your skin, hair and nail repair needs. Our intensely moisturising oil boasts a potent blend of super-concentrated natural oils renowned for their nourishing, restorative and healing properties. Rich in essential vitamins, fatty acids and skin tightening peptides. As a result, it's the all-in-one beauty product you simply can't do without.

For the perfect touch, add a few nourishing drops to your bath water. Apply liberally onto your skin, hands and nails whenever you need an intense moisture boost. Or use it as a pre-shampoo to replenish dry and damaged hair.
